Council for Spanish Speaking, Inc.'s Guadalupe Head Start North Program Moves into the Newly Renovated Aurora Weier Building

Milwaukee, WI, August 20, 2008 – The Council for the Spanish Speaking, Inc. recently renovated the Aurora Weier building to better serve the children and families in its Guadalupe Head Start North program and the Riverwest neighborhood. Newly remodeled classrooms were specifically designed to meet the needs of three to five year old children.

A brand new outdoor playground was also constructed to improve the children's large motor skills and encourage social interaction. The Council is extremely grateful for this child-friendly, state of the art equipment made possible through a \$50,000 grant from The Richard and Ethel Herzfeld Foundation.

In celebration of the new playground and the grand opening of the new Guadalupe Head Start North location, the Council invites the community to a ribbon cutting ceremony at 10:00 a.m. on Monday, September 8, 2008, at Guadalupe Head Start North, 2669 North Richards Ave., Milwaukee.

The Council is still accepting three to five year old children for full day and half day classes this school year. Call Guadalupe Head Start North at 414.263.4533 for enrollment information.

The Council's Guadalupe Head Start program is a bilingual, early education program. It emphasizes health and nutrition and encourages parents to participate in program activities. In addition to the Guadalupe Head Start program, the Council runs a variety of programs at various locations throughout Milwaukee including Adult Learning and Workforce Development, Loyola Academy High School, Housing for the Elderly and Mobility Impaired, and Social Services. The Council also hosts three annual events, the Thanksgiving Food Drive, Clothing Drive and *El Día de los Niños*.
